*...and help us eliminate barriers for Hoosiers with disabilities.*

## ABOUT TANGRAM

Tangram is a 501(c)3 non-profit, United Way partner organization that was established in 1985. We are committed to building lives of purpose and meaning for people with disabilities AND a community where everyone can thrive. We provide a wide range of supportive services including residential support, community access, nursing and wellness services, behavioral health, employment services, and transportation, to empower our clients and their

families, meet basic needs, and level the playing field for individuals with disabilities. We also work with community partners and businesses to help them reap the benefits of disability accessibility and belonging—in their workforces and customer base. This 360-degree approach is what sets Tangram apart from other organizations.

## ABOUT BAND TOGETHER

Band Together for Tangram will be held on Sunday, April 26, 2026 at the Historic Rathskeller Biergarten in downtown Indianapolis. The event will feature live music, food and beverages, a silent auction, and more! Most importantly, Band Together for Tangram creates an opportunity to make a lasting, positive impact on the lives of Hoosiers with disabilities. With your support as a corporate sponsor, we can work together to eliminate barriers to opportunity and independence and help individuals across our community thrive.
