Reshaping the Idea of Disability

The 1985 Society: Leave a Legacy of Independence. Opportunity. Belonging

A gift in your estate plan costs you nothing today and keeps Tangram here for Hoosiers with disabilities, and their families, for generations to come.

WHY A PLANNED GIFT TO TANGRAM?

Four decades of independence, made permanent.

For 40 years, Tangram has helped Hoosiers with disabilities live the lives they choose. At home, at work, and in the community they call their own. Behind every service is a family who can finally exhale and a client who has support.

A planned gift is how that promise outlives all of us. It costs nothing today, keeps your assets in your hands during your lifetime, and becomes lasting support the day it's needed most.

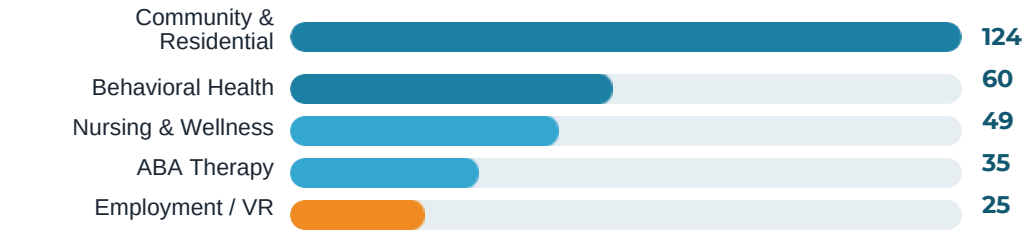

THE IMPACT YOU MAKE PERMANENT

In 2025 alone, Tangram was there.

INDIVIDUALS SUPPORTED, BY PROGRAM

Only about 4% of Tangram's funding comes from philanthropy — yet it's the margin that lets us reach families the waiver system misses and plan beyond a single year. A planned gift builds the endowment that makes reaching those families falling through the systemic gaps permanent.

MISSION MOMENT

This year Ronnie moved onto campus at Saint Mary-of-the-Woods College to study psychology — with his family and his Tangram team beside him. Your legacy keeps milestones like his possible.
